Golf, Winter sports, Excursions

Golf

The attractive 18-hole course in Küsnacht am Rigi is varied and challenging for beginners as well as for the single-digit handicap player. The well-known Golf course architect Peter Harradine has built a multifaceted 18-hole course with a length of 5397 meters and par 68 on the area of several farms. The exceptionally challenging holes offer the golfers a very special experience. The golf course leads through the various small valleys of the morainic landscape. Some fairways are lined on both sides with forest or old high standing mare.

Winter Sports

The area around Lake Lucerne is home to a range of winter sport destinations. The Klewenalp-Stockhütte can be reached by boat and cable car. The area Stoos-Muotathal is very well known for its exciting daily schedules with husky tours and just 30 minutes drive by car. Enjoy 120 kilometres of ski slopes in Andermatt-Sedrun or explore the highest ski area in the region, Engelberg-Titlis, with three sledge routes and 40km of cross country tracks, open all year round.

Excursions

Take a look at the Federal Charter of 1291 or follow the trail and footsteps of Wilhelm Tell, from Apfelschuss in Altdorf to the Hohle Gasse in Küssnacht. Central Switzerland, the birthplace of Switzerland, offers a variety of day trips through a breathtaking landscape. Visit the Victorinox museum, the producers of the legendary Swiss Army Knife, or Lucerne's world famous 'dying lion' monument – must sees in the area. We would be delighted to help you plan a personal programme.

Rigi

Mount Rigi is a paradise of walking and hiking trails. During winter, choose from sledging, snow shoe trekking, cross country skiing or winter walking tracks. Take Europe's first cog wheel railway to Rigi Kulm, or take the cable car from Weggis to Rigi Kaltbad.

Lucerne

With many attractions and sites of interest, Lucerne is considered one of the most beautiful cities in the world. The Chapel Bridge and Water Tower, the Musegg city walls, the Jesuit Church, the Spreuer Bridge, the Lion Monument and the KKL (Culture and Convention Centre Lucerne) are just some of the many impressive sights.

Art and culture

Lucerne's KKL hosts the Lucerne Festival, seasonal concerts, the Blue Balls festival and many other cultural events. The Rosengart Collection, Lucerne's newest gallery, exhibits works by Klee, Picasso and other famous painters.

Lake Lucerne

The region of Lake Lucerne is known as 'Switzerland's water tower'. The many lakes, both high up and lower down, rivers, streams and waterfalls shape the landscape. Sit back and enjoy the unique panorama on a relaxing trip on one of the lake's steamboats.

Adventure and discovery

A helicopter round trip, go-karting, cave exploration and paintball are just some of the many exciting suggestions the region of Lucerne has to offer. Our younger guests may explore the Swiss Museum of Transport in Lucerne or the Animal Park in Goldau. We would be delighted to create a personalized itinerary just for you.

Wine cellar tour at Park Hotel Vitznau

Six wine cellars brimming with international treasures, with four centuries of wine history. Stored in cellars of glass, wood and stone, the wine bottles are arranged and displayed according to their origin, waiting to be chosen.
