*Le corbeau et le renard
L'oiseau qui se vante
à gaspiller son grain
Mais le renard se moque
de son orgueil
Et dit : le monde est plein
de gens qui se vantent
de leur savoir et de leur
richesse, mais ils ne savent
pas que le monde est plein
de gens qui se vantent
de leur ignorance et de leur
pauvreté.*

*De par le monde les infimes parties
qui sont des humains,
passent par la filière du Temps
Les démiurgues insoumis,
vaincus et plus gros n'arrivent
qu'à la fin. Sous le titre "L'or"
les illustres spécimens forment
les victimes du patrimoine*
