”

Amazing hotel.
Exceeded my
expectations.

The hotel is beautiful and in a great location, but what made the difference was the staff. The quality of the service and a real sense of hospitability.

”

It is hard to describe what it was, but maybe , because there was always somebody willing to help, yet somehow not intrusive. Also, some of the luxury houses sometimes look down at you, here certainly not and there was a big effort at establishing a connection etc.

”

One of the
best hotels
in Switzerland.

”

Anyhow, working in the service industry and getting it ‘right’ is hard and the team at the Park Hotel Vitznau did it.

” Every aspect
of this hotel
is amazing.

”

Extraordinary
service and
attention
to details!

”

It's unfair to say this is a 5 star hotel. It deserves a 10 star; Park Hotel Vitznau is in a league of their own. The experience you get is worth every penny. We stayed in late 2014. The suite is spacious and comfortably designed with beautiful view, food was exquisite and all the staffs were very attentive without being intrusive. Don't forget to check out their extraordinary wine cellar. We especially enjoyed their impeccable spa area and heated outdoor pool. Once you check in you will not want to leave the hotel.
